2020/2021

This is an unprecedented time for our Dart League and as such we need to change with the times.

Please note the new rules that need to be followed in order to have our league this year. We hope this is just for this year and life is back to normal next year.

- All players must wear a mask as they are moving around the venue. (You may remove the mask at the table to enjoy your Drink)
- All Players will adhere to the first rule without exception.
- Hand sanitizer on all tables being used.
- Player will use hand sanitizer before sitting at their designated table
- Players will always try their best to social distance wherever possible.
- Play is held on every other board.
- Walk and chalk rule must be adhered to.
- You may slide your Mask down while throwing your three darts and slide back up to retrieve your darts and chalk.
- No more than 2 people in Washrooms.
- Home teams are responsible to ensure the rules are strictly followed and they will enforce these rules.
- Players will stay at their tables until it is their turn at the toe line, if there is at least 8 feet behind the toe line free of incumbrances you may wait there until it is your turn.
- If players are having a difficult time with numbers, the captain will be the one to tell him the count and subtraction.
- Each Player must bring own Darts and Chalker and Mask
- Home Team must Clean Chalkboards after play.
- Games must be completed by 10:30 pm (As per certain Venues.)
- THANK YOU, your executive.
